***Please look over New Racer Camping Guild lines. Rows A, B, and C are PRO only! Each Race car will be only allowed 2 sites. All crew and family must camp out in the campgrounds. With the growth of the sport, we must keep this for just racers. Any one that takes a racer site and don't race will be ask to leave and won't be able to buy in the racer area following years. If you have multicable drivers for the same car or truck you will still only get two sites.**

- You have now purchased and are solely responsible for your racer campsite, please be respectful of your neighbors and do not exceed your site dimensions or it will be towed away!
- We will try to accommodate you, but cannot guarantee specific sites.
- Sites will be assigned in the order they are received by the Track Office.

GO WEST- The site marker is on the East (trackside) edge of each site so set up to the WEST.

***ALL RACER CAMPING REQUESTS ARE SUBJECT TO REVIEW BY TRACK OFFICIALS!
