 _____ City _____ State _____ Zip _____

Race Class: _____

Preferred Campsite/Pit Location: _____

* Please look over the new Racer Camping Guidelines. Rows A, B, and C are PRO only and must have a race car in the site. Each race car will be only allowed two sites. All crew and family must camp out in the campgrounds. With the growth of the sport, we must keep this area for just racers. Anyone that reserves a racer site and doesn't race will be asked to leave. You won't be able to reserve in the racer area the following years. If you have multiple drivers for the same car or truck you will still only get two sites. All racer camping requests are subject to review by track officials. There is a \$10.00 charge per day for every additional vehicle parked in the day parking lot. If you would like to be placed with another driver, please send in forms together.

- You have now purchased and are solely responsible for your racer campsite, please be respectful of your neighbors and do not exceed your site dimensions or it will be towed away!
- We will try to accommodate you but cannot guarantee specific sites.
- Sites will be assigned in the order they are received by the Crandon track office.

GO WEST- The site marker is on the East (trackside) edge of each site so set up to the WEST.
