

Racer Camping/Pitting Request Form

To complete the form, please download it first. Once finished, submit completed form via email to trackoffice@crandonoffroad.com

Please note that this is a request form and your requested sites are not guaranteed.

Rows A, B, and C are strictly reserved for pro teams only. All crew and family members must use our designated campgrounds. Due to the rapid growth of the sport, we must enforce this policy to maintain racer-only areas. Any individual reserving a racer site without participating in the race events will be required to vacate immediately and be barred from future reservations in the racer-only areas. Regardless of the number of drivers for a single vehicle, a maximum of two race sites will be allocated per entry. All racer camping requests will undergo a thorough review by our board of officials. If you wish to be placed near another driver, please clearly state this in the Preferred Campsite/Pit Locations section of this form.

Please be aware that the reservations for the Forest County Potawatomi Brush Run Speed Festival will close on Wednesday, **May 20, 2026**, and those for the 57th Polaris Crandon World Championships will close on Saturday, **August 1, 2026**. If you fail to submit a request form prior to the deadline, racer camping/pitting spots will only be available for purchase at the Camp Crandon gates on event opening day and are not guaranteed. All requests are reviewed by our track management and are assigned. *You will receive your assigned sites approximately two (2) weeks prior to each event via the email you provide on this form.*

Racer camping gates for the Forest County Potawatomi Brush Run Speed Festival will open on Thursday, June 18, 2026 at 12:00pm CST, and for the 57th Polaris Crandon World Championships on Wednesday, September 2, 2026 at 12:00pm CST. It is mandatory to present proof of paid camping reservation along with admission ticket information for all individuals entering with your race team.
